

SOCIETY'S DOINGS

Parties.

Miss Margaret Rutherford gave a very jolly and unique luncheon party Thursday night at her home on Boulevard. Half of the guests, who were all girls, came dressed as young men and the other half as little school girls. Among the young "men" present were several cadets and a lieutenant or two. The girls who dressed as men were Misses Lena Key, Alma Tipton, Eleanor Wright, Amanda Holman, Caroline Dailley, Ava Ord, Rose Gillespie and the hostess. The little girls were Misses Florence Lilly, Lillian Jacobs, Irene Jacobs, Constance Dailley, Lillian Dailley, Mamie Anderson, Nettie Wilson and Mrs. H. O. Held. Mrs. Grace Rutherford, Mrs. Gertrude Rutherford and Mrs. J. Caldwell were the chaperons. In the game of baccarat, Miss Lillian Jacobs won the first prize and Miss Irene Gillespie the consolation prize. Refreshments were served.

School Notes.

Miss Lucile Smith is now teaching the low sixth grade formerly taught by Miss Lovette Brick, at the Sunset school. Miss Smith's former grade, the low and high third, is being taught by Miss Ruth Randle and Miss Randle's grade, the fourth, is now being taught by Miss Marie Cogswell.

Officers for the final term of the school year were elected yesterday by the senior class of the High School. Harold Caldwell was elected president; Miss Ruth Elliott, vice president; James Kilburn, secretary; Miss Marie Robertson, treasurer; Russell Worthington, sergeant at arms; and Miss Thelma Beech, reporter.

The Doctor's Advice

by Dr. Lewis Baker

The questions answered below are general in character, the symptoms or diseases are given and the answers will apply in any case of similar nature.

Those wishing further advice free may address Dr. Lewis Baker, College Bldg., College-Hillwood Sts., Dayton, O., enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order of wholesaler.

M. R. writes: "I have suffered with dyspepsia, or nervous indigestion, more or less for years, and I want you to prescribe treatment for me; my symptoms are the usual ones, such as pain and distress after eating, sour stomach, headache, heartburn, and pain in regions of heart, or between shoulders, constipation, or sometimes diarrhea, coated tongue, loss of breath and more. Am miserable in a word."

Answer: Your case is chronic, but by careful diet and the regular use of an acid tonic, you should be able to get your system back to normal. Obtain a bottle of "Double-Dose" stomach and bowel medicine. Take as directed, and you will soon feel the relief you desire. Many of my patients report quick results without any harmful action whatsoever.

C. J. R. asks: "Can I safely reduce my weight, and how?"

Answer: Go to a well-stocked drug store and get five-grain carbolic tablets in sealed tubes with complete directions. Take as directed, and you will soon feel the relief you desire. Many of my patients report quick results without any harmful action whatsoever.

Ellen J. asks: "Tell me, please, how I can increase my weight and improve my color. I seem to be anemic, weak and tired all the time."

Answer: Begin taking three-grain hypophosphite tablets with your meals and you will feel your strength returning and gradually your weight and color will improve. This is a most effective remedy if persistently used.

J. W. W. asks: "Can you prescribe a reliable treatment for the removal of dandruff, itching and feverish scalp?"

Answer: I know you can get instant relief and permanent results by using plain yellow mineral oil as per directions which accompany each 4-oz. jar.

"Merrie" asks: "I have suffered with a chronic cough for almost a year, and catch a fresh cold every few weeks. Nothing the doctor gives me helps, so I write to you."

Answer: You need a thorough laxative cough syrup, one that not only relieves but surely drives it from the system. The following regularly used will cure any curable cough or cold promptly. Obtain a 5-oz. bottle of essence mentha-lavender, mix it with a home-made sugar syrup or honey as per directions on bottle.

Miss "Stranger" asks: "I am in a weak condition due to a long stage of catarrhal trouble. Briefly I have pelvic catarrh (leucorrhoea) and catarrh of the nose and throat. What local treatment is good for a cure?"

Answer: I am quite sure that antiseptic Vichy Powder is the most prompt and effective treatment that one can possibly use. Full directions accompany either a 4-oz. or eight ounce package. Do not neglect catarrhal trouble—Advertisement.

Weddings.

Miss Estelle Leopold and J. W. Hollander were married Thursday by Rabbi Martin Zielonka at his home on North Oregon street. The bride is from Akron, Ohio, and was accompanied here by her brother, H. E. Leopold. Mr. Hollander is from Myndus, N. M., where the couple will go to make their home, after a short stay in El Paso.

Miss Ethel Taylor and Rev. Conway T. Wharton were married Thursday afternoon at 4:30 o'clock in the Westminster Presbyterian church. Rev. T. A. Wharton, of Sherman, Tex., father of the groom, performed the marriage ceremony, using the 7th and 8th chapters of the Bible. The bride, Miss Ethel Taylor, played her accompaniment. Miss Patterson played the "Bridal Chorus" from "Lohengrin" as Miss Taylor, with her father, H. A. Taylor, entered the church. The groom and his father entered at the same time from the vestry of the church. Miss Taylor wore a handsome gown of imported white oriental Chinese silk crepe. The gown was made with a long pointed train. The skirt was made with a high draped skirt. The waist was made with a yoke of the sleeves. Her long tulle veil was arranged in cap effect with a frill of the tulle about her face. Sprays of orange blossoms held the veil in place about her hair. She carried an arm bouquet of bride's roses, tied with tulle streamers. As the bride party left the church, Miss Patterson played the wedding march from Mendelssohn's "Midsummer Night's Dream." At the home of the bride's sister, Fred C. Emerson, on Cliff street, a wedding supper was served for the relatives of the bride couple. Mr. and Mrs. Wharton left Thursday night for Sherman, Tex., to visit the groom's family for about 10 days, before going on to their future home in Childress, Tex., where the bride is in charge of the Westminster Presbyterian church. Both the bride and groom are graduates of the University of Texas. Mrs. Wharton has been for several years a teacher at the El Paso High School, of which she is a graduate. When the European war is over, it is the groom's intention to go to Berlin to study medicine, before going on a missionary to Africa.

C. H. LADD PASSES AWAY AT HIS HOME

Charles Havens Ladd, superintendent of construction for the Stone-Webster Engineering corporation, died this morning at 1 o'clock at his home, on Arizona street. Mr. Ladd was 28 years old. He had been in poor health for a number of years.

He came to El Paso from Fort Worth a little over two years ago as superintendent of construction of the Stone & Webster corporation and had been with the company for 10 years in Houston, Fort Worth and El Paso. He built the interurban between El Paso and Ysleta and since that time had been in charge of all construction work in El Paso, including the new extension of the power plant.

Surviving Mr. Ladd are his widow, four brothers, William Ladd, Frederick Ladd, Carolyn Willis Ladd and Jack Van B. Ladd, who lives in New York city, and a sister, Mrs. A. Edgar Smith, who lives in Marlin, Tex.

The funeral service will be held Saturday afternoon at 3 o'clock from the church of St. Clement and the burial will be in Evergreen cemetery. Rev. Henry Easter will conduct the service.

Mr. Ladd was well known to El Paso's professional and young business men. He had a large number of friends among the mining men of the southwest and Mexico and was one of the most popular officials of the Stone & Webster organization in El Paso.

PLANS FOR MORE REVENUE LEFT TO NEXT CONGRESS

Washington, D. C., Jan. 28.—Plans for additional revenue legislation were discussed among congressional leaders today, and the subject should be considered at the next congress.

A re-enactment of the war revenue bill, revision of the income tax to increase its receipts, a suspension of the free sugar schedule of the tariff law, which becomes effective in 1916, or sale of the unused Panama canal zone, were the subjects discussed.

It was said there was no administration backing for any revenue raising proposal at this time, the subject was being left for the next congress.

Members of the cabinet have, they believe, trimmed their sails today, and further pruning is unlikely. Secretary of the treasury, McAdoo, estimates the deficit for this year will be about \$10,000,000.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Thickness and Lustre at Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 25 cents a bottle, at drug stores. Known as "Weyth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not mind, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You eliminate the sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.—Adv.

AFTER SICKNESS OR OPERATION every cell and fibre of the body demands pure blood, but drugs, extracts and alcoholic mixtures are useless.

Nourishment and sunshine are nature's blood makers and the rich medicinal oil-food in Scott's Emulsion enriches the blood to arrest the decline. It aids the appetite, strengthens the nerves and fortifies the lungs and entire system.

ARRESTED AND RELEASED. SUES FOR \$6000 DAMAGES

Alleging that he was falsely arrested and imprisoned, Charles H. Tuckwood brought suit against Skelton Glenn, in the 24th district court.

The plaintiff sets forth that he was arrested and conducted to the police station on information charging him with obtaining \$2 under false pretenses.

He represents that he was acquitted in the recorder's court of the charges brought against him and he sues for actual and exemplary damages amounting to \$6000.
